Course Title: **Siorc SAFE Boot Camp**

For Ages 9-13 or Grades 4-6

Description:

Just like in the real world, SIORCS can look scarier than what they really are. In Gaelic. “siorc” is pronounced “shark”. Our intrepid hero Jack takes on more responsibilities in his next adventure *Siorc the Shark*, featuring the mysterious creatures of the Emerald Isle. Just like Jack, students will develop and use their spy skills to keep themselves safe in the big wide world above and below the water surface.

We'll graduate with a demonstration of all the skills we've learned!

Activities:

- Narrated Adventure
- Escape room
- Build your own puppets
- Board games
- Card games
- Coastie takeaways
- Obstacle courses
- Puzzles

Duration: 5 days, 20 hours of classroom

Cost: \$200, with \$50 nonrefundable deposit to reserve a slot

Objective: Develop and use new “spycraft” skills

Tools & Skills: Students identify unsafe situations and name/find helpers

Situational Awareness: Students will predict what help is needed, and when

Proper mindset: Students will create responses to danger, prioritize actions they can take

Make a Plan: Students will solve safety problems using plans they have created

Selected Virginia Standards of Learning (SOLs)
